### Welcome To 24/7 Dance Company!

Welcome to 24/7 Dance Company, we strive to offer professional dance training while making classes enjoyable and affordable. We are excited to have you join our dance company and look forward to getting to know each dancer and parent better. Dance is not only about the movement to music, dance is the very essence of the combination of athleticism and artistic ability. We make every effort to bring out this essence in every dancer while providing a fun and positive atmosphere allowing each dancer the opportunity to excel.

Our goal each and every year is to provide an environment where students enjoy learning dance and improving their dance ability.

Not only do our dancers' have fun, our competition team wins top awards at each competition attended. We have multiple 1st places, high point awards, over-all awards, and our latest accomplishment: last year's Elite Dance Extreme (our competition team) Seniors, 'DJ's Got Us Fallin...' routine has been nominated as a finalist, and has qualified for the National Title Contest competition.

We look forward to a great year full of learning, fun, and of course DANCE!
