

DANCER OF THE MONTH

We love to acknowledge our dancers for their accomplishments in class. At the end of each month the teachers and/or assistants will decide who will be awarded "Dancer of the Month" for each class. Awards will be presented & announced the following month in each class. Winners will receive a small award/gift, & will be posted on our blog (24-7dance.blogspot.com) with a small photo & possibly a brief "About Me" write up of them.

During the month teachers/assistants will watch for a dancer(s) in each class that "stands out" in the following areas: class attendance, hard work and diligence in every class/practice, improvements, and attitude. Each dancer will receive this award sometime during the dance season.

Please fill out the bottom of this form & return. Within the next few weeks we will take a photo of each dancer during class to use on the blog, when they are awarded "Dancer of the Month." If you prefer, you can email a photo of your dancer to be used on the blog.

The following information may be posted on the blog when each dancer is awarded "Dancer of the Month." (If you do NOT wish to have a photo and/or any information other than the Dancer's first name posted on the blog, please leave a note & signature on this sheet & return).
